To Veterans Assistance Commission of Cook County (Delegate or Alternate)

As you are aware the Veterans Assistance Commission of Cook County (VACCC) is in a severe crisis with future uncertainties. Therefore, it is time for concerned veterans to step up, and logically plan a sound solution for an anticipated outcome that will end the distractions that are preventing the VACCC from collectively moving forward.

Concerned veterans have decided to unite and move forward together to prepare for the election that will be held on November 30, 2021. Eligible members of the VACCC membership in accordance with the Bylaws dated April 30, 2019, were voted on and ratified. You are receiving this letter to confirm your voting rights. This was determined by the proven record that your organization application, dues, and required letter from your organization leadership was received, and you were appointed as the delegate or alternate to represent your organization.

If you are willing to jointly work on the best interest of the VACCC, please join us for the next Call - in or ZOOM meeting that will be held on Tuesday, September 28, 2021, at 7:00 pm - 8:30 pm. You may contact Gary Whyte at (773) 860-7013, to confirm your meeting participation.

Respectfully,

Gary Whyte  
George Mulvaney  
John Steciw  
Rochelle Crump
